Hartnell Classes OK for Korean Veterans

PANTHER SENTINEL

Volume XXII | Salinas, California, Friday, September 19, 1952 | Number 1

Registration Reaches 576

Total of 600 Is Possible

Registration figures reached 576 total students enrolled in Hartnell College for the fall semester, it was announced by Hartnell registrar, Jerry Girdner, on Tuesday of this week. "Registration could reach 600 in the near future," said Mr. Girdner. The present figure represents an increase of 16.8 per cent over 1952-3.

Of the 374 men and 202 women students who have signed into classes, 333 are freshmen, 222 men and 111 women; 177 are sophomores, 128 men and 49 women; and 66 are special students, 24 men and 42 women.

The majority of students attending college here are graduates of Salinas high school. The largest number of students contributed by another high school graduating class is the total of 76 from Watsonville, and the second highest total in this group is the 44 from Santa Cruz.

Gonzales, Gilroy, and King City each have 20 graduates attending classes here. Pacific Grove, Morgan Hill, and San Jose each contributed six students to the total. Hollister and Santa Clara each have four graduates attending Hartnell. The other students which complete the total are from various sections of the United States, as well as those from nations as far away as China and Germany.

Two Fresno J.C. Buildings Ruined

Two major Fresno Junior College buildings, containing 22 classrooms, have been condemned because of earthquake damage, it was learned here today. The college will reopen within a week in emergency quarters.

The Fresno City Board of Education voted on Monday to condemn the buildings after hearing engineers declare them unsafe. The damage resulted from the August 23 quake which had centered in Bakersfield.

As We See It

By DICK JOHNSON

We would like to add our salutations and welcome to the freshman class at Hartnell to those already extended by numerous other "old-timers" at our campus. With 333 students and a great deal of enthusiasm which certain of these students have shown in college activities, prospects look good for the class of 1954.

Many freshmen, and sophomores as well, have many questions about how they should act, how much they should participate in school activities, who is what and why is what what it is? Most questions can be answered by peeking into the pages of your Hartnell College Bulletin or the loose leaf division pages which are being provided by the Associated Student Body. Any others may be answered by any sophomore.

As editor of The Panther Sentinel, of course, we would like to see many, many of the frosh take an interest in journalism, and at least

(Continued on Page 3)

Hartnell Courses All Approved for Korean GI Bill

Korean veterans studying under the G.I. Bill may now receive full credit at either Hartnell College or Hartnell A. and M., announced College President John B. Lemos last week. Hartnell was one of the first colleges in Northern California to receive approval for all of its courses.

The bureau of readjustment education announced the approval of the entire Hartnell curriculum on Monday, September 8, with full details being received by the Hartnell main office on September 10.

Under Public Law 550, any courses taken by Korean veterans at Hartnell after the aforementioned date will receive approval

(Continued on Page 3)

Hartnell vs. Fresno J.C. In Opener

Meet "Tabby" At Fresno Rally

The Fresno J.C. game rally will be held in the men's gym at 2 o'clock this afternoon, announced Head Yell Leader Chic Chase Wednesday. A highly interesting skit originated by Ann Bird will be included in the program of band music, trying out our yells, meeting "Tabby," the coach, and team, and singing "Hail Alma Mater."

Miss Bird would not reveal the juiciest details for publication about her skit, but indications are that certain young ladies will be seen doing men's work in funny feminine fashion. The only way to find out exactly what cooks is to attend the rally, according to her.

The Hartnell College band will perform for the spirited gathering, playing appropriate music, directed by Lorell McCann. Copies of old and new yells will be distributed at the door, so that every student in the stands will know what he's yelling when he is supposed to be yelling it!

For students unfamiliar with "Tabby," rally committee chairman Chase has picked this time as the propert time to introduce the new "live panther," which works with our yell leaders at the games, to his new public. The cavorting cat will do its stuff for the audience also.

Coach Dick Voris, who is already a popular figure with students and faculty alike, will be introduced and, in turn, will introduce the gladiators from our 1952 football squad. All trimmings will be added to this by Chic Chase and "Tabby."

The rally will be concluded by the singing of "Hail Alma Mater," which is printed in the next column. "This is our official school song, and it is the duty of every student, freshman, sophomore or special, to learn this and fittingly join in singing it at the conclusion of rallies and games," states the rally committee as a whole.

Fleece Fresno!

Also Debut For Coach Voris; Fresno Expected to be "Tough"

Hartnell opens its 1952 football season tonight by meeting the Fresno Junior College Rams, the 11th ranking junior college team in the nation. This initial contest for new Panther grid mentor, Dick Voris, promises to be one of the toughest games for the Panthers all year.

Kickoff time for the tussle will be 8 p.m. in the Salinas Union High School Stadium. Heading the team on the field if the Panthers receive will be tackle Dick Gularte, and, if Hartnell does the booting, defensive safety Randy Blair will act as captain until the Panthers take over on offense.

For the debut of his very promising, but untried, squad Voris has admittedly found himself faced with as rugged a test for the boys as could possibly be lined up. Although he does not predict any sensational winning scores on the side of Hartnell, he guarantees that the affair will be a "hard fought" battle, and says, "They have a top ball club, but I think they'll be surprised." He explains this by mentioning the fact that this squad

(Continued on Page 4)

"Victory Dance" In Women's Gym

"The first victory dance of the year" will be staged in the women's gym at Hartnell after the Fresno Junior College football game at the Salinas Union High School Stadium tonight. Publicity chairman for the affair, Bob Alioto, boldly labeled the initial after-game dance as a "Victory dance" as what he called "an inspiration to the team."

The rally committee, headed by Yell Leader Chic Chase, is sponsoring the affair, and it promises to be an outstanding event, win or lose (although we can't lose, according to Alioto). Dancing will begin as soon after the game as couples and committee members can gather at the place of festivities.

Carl Cookson, co-publicity chairman with Alioto, announced that prices for the record affair will be 35 cents for couples and 25 cents for stags, with student body cards. Without the valuable A.S.B. card, couples will have to pay 75 cents, and stags 50 cents, to enter the door to reach an evening of enjoyment and pleasure.

Lutz Muenster and Dick Gularte will be taking tickets at the door, while Jan Walker spins platters for the dancers. Jan Walker also heads the cleanup committee.

HAIL ALMA MATER

Hail, Alma Mater, we're sons and daughters true,
E'er singing praises of our loyalty to you.
As united as we stand
Loud our songs ring o'er the land
And your honors we'll uphold
Onward ever! Falter never!
Hail to Maroon and Gold.

Homecoming Coordinator Is Lowry

Wallace Lowry was appointed Homecoming Day co-ordinator for the 1952 Homecoming activities by A.S.B. President Ken Van Cleave at the last weekly commission meeting. Homecoming Day will be October 25, when the second league contest of the football season will be held with Contra Costa (East) Junior College.

Lowry's job will be to act as a go-between and organizer for the commission and Interclub Council activities and programs for the annual alumni greeting event. The over-all program for the day will be a product of the co-operative efforts of Lowry and Lutz Muenster, president of the Interclub Council.

George Jackson, representative of the Alumni Association, presented a suggestion to the A.S.B. Commission Monday that all alumni be admitted to the game free of charge on presentation of their Alumni Association cards. This suggestion was put in the form of a motion, and was approved.

One amendment which Lowry has worked out with the Alumni Association is that the free admission be given only to those alumni who have a ticket received when registering at the college for activities of the day. All other alumni will receive regular A.S.B. rates. More details concerning this will be released at a later date.

Frosh Don Dinks; Field Day Soon

Freshman! Where's your dink? The freshman dink-wearing season and Men's Club Whiskerino contest are here again!

As of Wednesday, September 17, all Freshmen, male and female, have been required to wear dinks. These dinks are the small maroon and gold caps sold by the Men's Club, and a vigilante committee patrols the halls and captures any freshmen caught out without one. The dinks may be purchased at the Student Store and cost $1.30. The dink-wearing season will last for three weeks, until Field Day. On Field Day a tug-of-war will be held to see whether or not the freshmen may doff their dinks. If they defeat the sophomores in this event they may give up wearing the caps; otherwise, they must wear the dinks for another week.

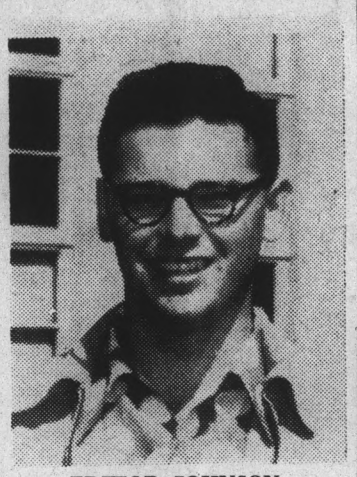

During the three-week period, in addition to the dinks, all freshman girls must wear ribbons and bows at least three by five inches in size and all freshman men must go unshaven. On Field Day the Whiskerino Contest will be judged, at which time the student with the largest whiskers will receive the first prize, a free shave and haircut. The second prize is a free shave.

The tentative date set for the Field Day is October 8, and the activities will begin soon after noon. The highlight of the afternoon will be the Sophomore vs. Freshman tug-ofwar. This event takes place over a mudhole, so that the losing team gets dunked. The day will end with a free chicken dinner sponsored by the Men's Club.

Johnson, Burke Named To Commission Posts

Dick Johnson and Hector Burke have been named to the 1952-3 Associated Student Body Commission, announced President Ken Van Cleave this week. Johnson was accepted as commissioner of public relations on September 10, and Burke was elected to fill the vacated commissioner of rallies and assemblies post on Monday of this week.

Johnson, a third year student, also serves Hartnell as editor of

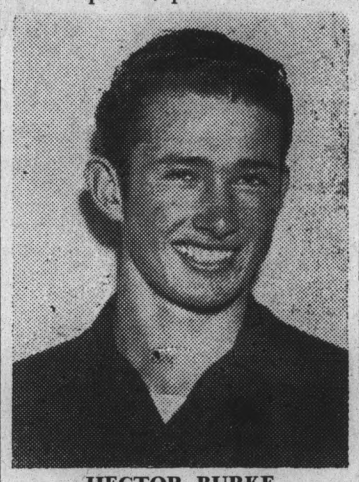

EDITOR JOHNSON

The Panther Sentinel, and as director of public relations. He was affiliated with the paper last year, and edited the last six editions, one being a 10-page souvenir publication.

Burke, a second semester freshman, is returning to Hartnell as a second semester freshman after an absence of three semesters. He served as freshman representative to the commission when here before, and was the student body president at Salinas Union High School in 1949-50. He was picked over two good opponents, Bob Day and Pat Callender, by the commission members.

Johnson's job will be to co-ordinate all publicity and other forms of A.S.B. public relations with his work as college director of public relations. Such items as distribution of posters, press releases, and

HECTOR BURKE

arrangement of athletic game program will be included in his duties.

Burke will have the job of planning, scheduling, appointing, and supervising of rallies and assemblies. All of the plans formulated by him and his committee will be witnessed in action at the college rallies and assemblies, once approved by the commission and faculty advisor.

Dope on Fresno Squad Is Here

Fresno Junior College roster for the football team which it will bring to the Salinas Union High School Stadium tonight finally arrived in the Panther Sentinel office hours after our deadline. However we did have a space reserved for dope concerning the Rams, coached by Hans Wiedenhoefer, and here it is.

More than 2,600 pounds of bone and muscle will clash tonight when the front walls of the Fresno J.C. Rams and the Hartnell College Panthers charge into each other play after play of the 1952 season inaugural. Fresno will have the weight advantage with an average of 197 pounds per man, as against an average of 190 pounds for the combined offensive and defensive lines of Hartnell.

While on the offensive, the Rams will have 1,320 pounds of speedy Panther musclemen with which to contend; while on the defensive, they will have 27 additional pounds to give them trouble. They have men ranging all the way from 155 pounds, in the person of guard Rowland Haynes, to 225 pounds, possessed by center Tom Howell.

In the backfield are four speedy players ranging from a 150-pound quarterback to a 190-pound fullback, and averaging 165 pounds. Willard Hampton, the fullback, is is the fastest man on either team, having recorded 9.8 seconds in the 100-yard dash. He isn't the only talented back, however; Bob Williams being one remembered for his work in Fresno' 32-0 rout of Hartnell last season.

Cassady or Dick Johnson to get assignments, meet interesting people, write up the material and submit it by deadline.

Although Journalism 2A is a three-unit course, students may sign up for one or two units and do whatever work they can in that time. Opportunities for page editorships are closed this semester, but one or two will definitely be open to students with first semester experience come Spring.

Minimum load for students eligible for draft deferment is now set at 15 units. If you wish to apply for draft deferment on the basis of your college course, be sure that your program inclues at least 15 units.

Frosh, Soph Vote Soon; Petitions Are Due Today

Elections for freshman class officers will be held next Wednesday and Thursday, September 24 and 25. Eight candidates have been nominated for office. All petitions must be turned in to the class advisor, Mr. Clifford Swanson, by 4 o'clock today.

Nominees to date are Richard Adams and Richard Eppley for the office of president. For vice-president, Anita Martindale is the lone contender thus far. Karol Klauer, Loeva Mead, and Julie Henderson are competing for secretary-treasurer. For commission representative Tom Klingensmith and Jim Breukwitz have been nominated.

No sophomore class candidates had been nominated for any office of the sophomore class on Wednesday of this week, announced class advisor, Mr. James Wilson, on that day. Unless petitions are circulated and submitted by 4 o'clock this afternoon, the sophomore class will have no officers, and, therefore, will not be an organization.

Offices for which nominations are open are president, vice-president, secretary-treasurer, and class representative to the commission. Petitions may be obtained from either Mr. Wilson or Mr. Jerry Girdner; and are required to have 50 signatures of sophomores whose A.S.B. dues are paid.

International Club Sells Programs

Eight International Club members have volunteered to aid in raising $1,000 for its student exchange scholarship fund by selling football programs at all of the Hartnell home games. Miss Babette Gianinni heads the committee for sales, and guarantees that all efforts will be made to sell all 1,500 programs at each game. Program details on Page 3, column 4.

This $1,000 fund is a project which the International Club began last year, under the guidance of advisor, Mr. Vahé Aslanian. The plan is to send a student from Hartnell to a foreign institution to study, and to also sponsor a foreign student studying at Hartnell.

Play Tryouts Are This Afternoon

Hartnell Players will stage tryouts for the first dramatic offering of the season this afternoon at 3 o'clock in the Little Theater for the play, "Therese," a suspense drama in two acts. Students who have not yet signed up for dramatics may participate in the tryouts. Many excellent parts are in prospect for the aspirants.

Based on the story, "Therese Raquin," by Emile Zola, the play was written and adapted by Thomas Job. "Therese" constitutes the first of five major plays to be presented this season by the Hartnell Players. The tentative dates for the showing are November 6, 7, and 8, in the Hartnell_ Little Theater. "Therese" will inaugurate the fifth season of the Hartnell Players and will be the twenty-first major production of the society.

Opportunity Knocks! — Be a Reporter For Panther Sentinel

Positions for three news writers and one sports writer on Panther Sentinel are still open to any student with an interest in journalism or any school activities. No experience is required, and hours are good, with class time being Tuesdays and Thursdays, 9, 10, and 11.

Homework is almost unheard of, with 90 per cent of all work done during class time. Class hours do not have to follow the scheduled class time, as long as arrangements can be made with either Mr. Henry

"Hartnell Band Shows Promise" Says McCann

"The Hartnell band shows great promise this year," stated Band Director Lorell McCann this week. "Due to the great enthusiasm and promise shown by the group, a very good year is expected," he added.

Already the number of band members has surpassed 40, and it is expected that the total number will rise to 50 within a two-week period. Especially wanted now are more piccolo, sousaphone, and clarinet players. Any students with experience in these instruments should apply to Mr. McCann.

The Hartnell band will play at many of the games, where they have a section of seats reserved for them. The colorful maroon and gold band uniforms add color to these occasions. "Having an able and enthusiastic band will this year, as always, add much to the student spirit," concluded Mr. McCann.

The names of the band members follow:

Carl Triplett, Peter Hyde, Ron Reaves, Jim Teves, Dean Larkin, Rodney Pickles, and Pat Toney, trumpets; Bob Gerberick, Bob Carpenter, Don Johnson, Cloyse Little, Larry Nelson, and Mike McCann, trombones; Kent Padgham, baritone; Dick Gularte, and Donald Canapa, basses; Ken Lowe and George Wheeldon, horns; Leo Lanini, Bob Kendall, Bob Grier, Carl Hansen, and Ellen Currie, field drum; Dick Binsacca, Scotch bass; Shirley Wharton, cymbals; Ted Weydell, flute; Ann McCann, Robert Mattos, Robert Azcona, Joyce West, and Pat Rice, clarinets; Leon West, Edwin Ingersoll, and Bill Smith, saxophones; Oleta Mustain, bells; Dona Williams, Diane Robinson, Mary Dutra, and Voretta Bolin, majorettes; and Ken Lowe, student director.

AS WE SEE IT . . .

(Continued From Page 1)

read the paper, if not work as a staff member of that or La Reata. However, as commissioner of public relations, we want to see every student in school pouring all available energy into the campaign to make Hartnell appear its best in the eyes of the public.

There are many clubs on campus requesting and advising freshmen to join their ranks. This is wonderful, and we sincerely hope that the individual students are complimented, and feel that they are wanted here. Participating in club activities at Hartnell is not only enjoyable but rewarding in many ways.

I advise the candidates for freshman class offices to think about plans for the annual "Pajamarino." This is an event which should not be neglected in favor of other activities, because it can mean a great deal to the prestige and the treasury of the class.

In the past two years, the Pajamarino has been scheduled for the latter part of the year, and either was a failure or was cancelled. We don't want to see that happen this year any more than seriously interested freshmen do. One thing we would like to point out is that "Pajamarinos held before the winter cold sets in have always been more successful than those held in the spring. On this premise, it is easy to see that our advice is to organize and stage the affair soon.

In conclusion we would like to say that obeying rules and friendly advice of instructors and fellow students will make your stay at Hartnell an enjoyable one. We'll see you at the game tonight!

Local Boy Makes Good

Just another indication to show that Hartnell College students make good after the local campus — in one activity or another, in this case, another — can be noted in a story dated June 5, 1952, in the Spartan Daily of San Jose State which reads thusly: "Lew Patterson, co-sponsored by Alpha Omicron Pi and Phi Sigma Kappa, was named 'Ugliest Man on the Campus' by the rally committee following a contest which saw part of the money collected in the penny-a-vote affair stolen."

GROW THAT BEARD!

CAMPUSOLOGY

By EVAD

The kiki bird speaketh ki-ki-kirmeny, what a fine collection of young ladies! Amid the new arrivals at ye olde Hartnell. Any of such young innocent lambs interested in meeting tall, dark, well-mannered(?) hands-some young man who is suffering from that rare Hawaiian disease, please contact yours truly somewhere, sometime.

* * * * *

HELUP VANTED QUICK LIKE

Hurry, hurry, hurry to the Panther Sentinel office and sign up for the honored position of staff writer for this great litterary publication. Nicely formed bootiful young females preferred, but will settle for anything. Hurry before yours truly is forced to do some work around here.

Personal: Young lady with bottle — of ketchup interested in meeting young man with can of beens — see Joyce Hodge in Ludent Scrounge.

* * * * *

BIRD ENTERTAINS

Bird's Roost up in them thar Corral de Terrible hills was the scene of the first social event of the season — Miss Annabird Baths coming out party — Darn near everybody in town came out — Many hiccups, too much apple cider and donuts, no doubt.

* * * * *

Watsonville was the scene of a fine wild party last Saturday night at the home of one Don Buchter. A fine time was had by all and when the smoke cleared, the house was still standing (strong house). There were many empty orange juice cans for the cleanup committee to take care of the next morn.

* * * * * *

Hey, you, want to get higher than a kite? If so, see Mr. Peavy about the Flying Club.

* * * * *

Come one and all to the Grand Opening of the Panther football season tonight at the S.U.H.S. Stadium. The game will be preceded by a rally in the men's gym at 2:00.

* * * * *

Is rumored that after the Fresno game and dance there will be a social gathering at the home of Lutz the Grass Monster. Contact Mits Uchida, Ludbert Graf zu Muenster or RA JAH for directions. Tea (Bohemian) and crumpets will be served.

* * * * * *

All good things must come to an end — even moth-eaten columns like this one! Goomby.

Interclub Council Meets Today

Interclub Council of Hartnell College will hold its first meeting of the year today, in Room 6, at 12:15, announced Lutz Muenster, council president. All clubs or organizations in Hartnell should have a representative at the meeting in order to participate in Homecoming or sponsorship of any activities.

Club dues for membership in the council are $1.00, and good attendance of the club representative is required, or the club has to pay dues to be reinstated after a certain number of absences in one semester.

Approval of calendar dates, organization of Homecoming Day and the Spring Carnival, and creating student interest in activities are the outstanding services performed by the Interclub Council.

WEAR THAT RIBBON!

Newmans Name Interclub Council Representative

Betty Innocenti was elected representative to the Interclub Council at the first meeting of the Hartnell Newman Club last Wednesday, Ray Bloyed, Newman president, announced yesterday. Also on the meeting agenda was the formation of a volleyball team to play in the Intramural League.

Miss Innocenti will have the job of attending all meetings of the Interclub Council, acting as voting representative for the Newman Club, and also as a reporter to her club of the council's business. "Wheaties" is the name decided upon for the volleyball team, which will represent the Catholic group in the noon games.

The Newman Club is primarily a Catholic organization, although students of any religion or interest are both welcome and invited to join, states President Bloyed. The Newman Club plans to sponsor many activities during the school year, including one dance after a coming football game.

Aslanian Expects Good Choir Year

"All indications point to a good season ahead for the Hartnell choir," said Director Vahé Aslanian in an interview this week, "I am very enthusiastic about the coming year," he added. The director went on to say that his music groups have quality, general enthusiasm, and "esprit de corps," all of which is most desirable.

The turnout is above average for the first week of classes, with 45 members coming from the cities of Santa Cruz, Watsonville, Gonzales, Petaluma, Hayward, Morgan Hill, Avenal and Gilroy, as well as Salinas. The prospects are especially good in the soprano and alto sections, with more voices wanted for the bass, baritone, and tenor sections.

The choir will soon start the practice of Christmas music, and, though no plans have been definitely set as yet, it is expected that they will do a contata or an oratorio for the public performances of the Christmas season.

In addition to the regular choir, Mr. Aslanian will instruct a special choral group, the Madrigal Singers, whose members are to be chosen from the regular group. The tryouts for this special group were held in Room 16 at 11 o'clock on Tuesday, September 16. The 16-person group will consist of four sopranos, four altos, four tenors, and four basses. During the coming year they will perform many contemporary songs as well as those of the sixteenth century.

HARTNELL COURSES

(Continued From Page 1)

for the Korean G.I. Bill on application by the student. However, any courses taken at this school before that date will not be approved for the Bill at any time.

For approval, each school in Northern California was required to send three edited copies of the college bulletin, certified by the college president, to the bureau of readjustment education. The catalogued courses are approved or rejected for the bill individually, and the unofficial report is that few schools have all courses approved.

Although many schools have a few individual courses making the grade, only those institutions with the highest scholastic standards receive the over-all approval given Hartnell.

OPENING GAME . . .

(Continued From Page 1)

is a fast one, and may get the jump on Fresno quite often.

The attitude of the team members is generally a mixed one of respect, especially for the 9.8 9.8 sprinter in the backfield and the top guard and center in the state up in the front wall; and of confidence that the contest is going to be a real contest, and not a runaway.

In any case, spectators can expect to see a good brand of football exhibited by both the Rams and the Panthers when they begin clawing and butting each other around the field. Fresno has not released its starting lineups as yet, although they will be included in the game program tonight.

Anyone who has worked with or seen the Panthers in practice this month will agree that spirited play will be exhibited by all of these experienced gridders on the starting lineups. The offensive eleven for Hartnell will include Jim Crain, right end; Earl Adams, right tackle; Dick Herman, right guard; Jerry Ledin, center; Jim Brandon, left guard; Dick Gularte, left tackle; Don Benedetti, fullback; Clive Bullian, right halfback; either Art Hernandez or Tony Teresa, left halfback; and Marty Norman, quarterback.

Defensively the lineup will read as follows: Leon Snider, left end; Adams, left tackle; Herman, left guard; Ledin, center; Art Frolli, right guard; Ken Van Cleave, right tackle; Jack Brooks, right end; Art Hernandez, defensive fullback; Tony Teresa, left halfback; Randy Blair, safety; and Clive Bullian or Bob Scofield, right halfback.

Intramural Volleyball Signups Are Now!

Intramural volleyball will begin in the near future. Coach Jess Regli urges every interested person to sign up his team as soon as possible. Anyone wishing to sign up a team can do so in the gym office.

All the games will be played between 12 and 1 p.m. Medals will be awarded to all members of the first and second place teams. These awards are on display in the men's gym.

Eight-Page Programs Printed for Games

Attractive football programs with eight pages of rosters, pictures, game features, and ads will be sold at tonight's game by the International Club. These 10-cent programs will be printed up in quantities of 1500 for each home game, except Homecoming and Thanksgiving Day games when 2,000 or more will roll off the press.

Commissioner of Public Relations Dick Johnson and A.S.B. President Ken Van Cleave sold ads for the program and made it up with the co-operation of Coaches Dick Voris and Ed Adams, Photographer Hurl Swartz and the Salinas Californian. The International Club will receive four cents for each program sold at the games.

Coca Cola Bottling Company of Salinas provided the programs, and printing costs amount to $60 a thousand. The monetary angles have been worked out in such a way that any sales after the first 1,000 for the season will be clear profit for the A.S.B. and the International Club.

1952 Hartnell College Football Squad

Meet the Panthers From the Picture

With 41 experienced gridders turning out for this year's Hartnell roster the possibilities of a championship team are in the making. Here's the inside story of all the spirited and fighting men competing for the starting eleven:

Earl Adams, No. 64, 6 feet 1 inch 210-pound tackle, is a veteran gridder from last season. He played defensive end last year.

James Balestrieri, No. 33, is an all-city guard from James Lick high in San Jose. He is 5 feet 7 inches tall and tips the scale at 155 pounds.

Don Benedetti, No. 40, a rugged fullback from last season, is a 6-foot sophomore and weighing 195 pounds.

Randy Blair, No. 18, one of the sparkplugs last season, is a fast, quick-thinking 6 foot 165 pounds defensive safety.

Jack Bothwell, No. 25, from Watsonville high school, is a fast-running, hard-hitting 6 footer weighing 180 pounds.

Jim Brandon, No. 43, another prospective gridder from Watsonville, is a 180-pound, 5 foot 9 inch guard.

Ed Branson, No. 56, is a 6 foot 1 inch end, returning from last years' squad. His weight is 195 pounds.

Jack Brooks, No. 47, a veteran gridder from the 1951 roster, will be playing at the end position this year. He weighs 180 pounds, is 6 feet tall.

Clive Bullian, No. 19, a 175-pound halfback from Los Gatos, was voted the most outstanding high school back on the peninsula last season. He stands 5 feet 11 inches tall.

Ken Coronado, No. 60, an all-city left tackle from James Lick high school, stands 6 feet 2 inches, weighing 210 pounds.

Jim Crain, No. 26, a freshman from Hanford, weighing 180 pounds and towering 6 feet, will be playing in the end position.

Arlen Dillard, No. 11, a 165-pound passer from Salinas high school, is competing for the quarterback position.

Dick Estrada, No. 17, is a 160-pound, 5 foot 10 inch halfback from Watsonville high school.

Art Frolli, No. 63, is a 5 foot 10 inch veteran guard from last season, who was named as the outstanding player in the 1951 Homecoming game.

Ed Friar, No. 65, an 185 pound, 6 foot tackle from Santa Rosa, California.

Dick Gularte, No. 55, is a veteran gridder, weighing 210 pounds and standing 6 feet 1 inch. He plays tackle.

Dick Herman, No. 42, is a 6 foot 185 pound fast and hard hitting sophomore and former all-C.C.A.L. right tackle from Salinas high. This is his first season at Hartnell.

Art Hernandez, No. 22, is a 5 foot 8 inch 170 pound pack of dynamite from James Lick high school of San Jose. He was given honorable mention on the San Francisco Call-Bulletin high school all-America team last year.

Irvin Verret, No. 45, is a 6 foot 1 inch halfback from North Hollywood. He weighs 185 pounds.

Franci, Adams Assist Voris

Head Coach Dick Voris and assistants, Ed Adams and Henry Franci, will do the chalkwalking and chalktalking for the 1952 Hartnell College eleven, and already interest is soaring high in Friday's grid opener.

Voris is a graduate of Salinas J.C., where he was selected on the 1941-2 All-N.C.J.C.C. football squad. After graduating from the junior college Dick joined the Marine Corps and served as a radio and radar technician until 1945. When he was discharged, he entered San Jose State, where he majored in P.E., and was an outstanding football player. Now to complete the cycle, Dick is back on the Hartnell campus, directing the destiny of the fighting Panthers.

Henry Franci, who has been helping Coach Voris with the line, played football at St. Mary's in 1940-1, then was with St. Mary's Preflight during the war, playing service ball. Franci has been assisting the Hartnell coaches for the past three seasons. Not employed by the college, he does this on his own time.

Coaching the ends is Ed Adams, who also serves as college athletic director, and basketball and track coach. Ed, who played his football at Oregon State College, has participated in coaching football in previous seasons at Hartnell.
